Dear Master Khow,

Thank you for your kind invitation for me and my wife to attend the 12th New England International Chinese Martial Arts Championships and USAWKF National Traditional Kung Fu Team Trials. Unfortunately, we will be abroad for a prior engagement on November 5, 2022, and therefore will not be able to attend this event.

Since 1999, you and your team have organized many international wushu championships and have made great contributions for the advancement of self-defense, Chinese martial arts, and Chinese culture. I would like to take this opportunity to thank you for all you have done to promote Chinese martial arts and culture among the community.

On behalf of the University of New Haven and the Forensic Research and Training Center, I would like to congratulate Master Khow, the organizing committee, and the masters of Chinese martial arts for their accomplishments and contributions. I also want to commend all of the officers, staff, and members of the Organizing Committee for their tireless efforts to bring these great events to Connecticut.

Please accept my best wishes for another wonderful and successful event.

Best Regards,

Dr. Henry C. Lee
